P.S.H.E. Changing Me

I understand that changes happen between conception and growing up. I understand how babies grow and develop in the mother's uterus. I understand that boys' and girls' bodies change so that their bodies can make babies. I recognise stereotypical ideas I might have about parenting/family roles.

Science Magnetism

Magnets around us, lodestones, magnetic poles, magnetic field law of magnetic attraction, north and south magnetic poles, orienteering using a magnetised needle.

Year 3 - What your child will be learning about in Summer 2nd 2024

Dear Parents and Carers,

We have a busy final half term as we continue to fill our pupils full of knowledge ready for year 4. Please be aware of the PSHE unit 'Changing me'. Children will be presented with factual scientific information but be prepared for any questions they may have.

We're looking forward to making the most of the summer weather so a hat and sun-cream on sunny days would be a great idea. We are also very much looking forward to a fantastic array of events this half term with sports day and class photos approaching. Keep an eye out on Class Dojo for any important updates.

Thank you for a brilliant year so far, Miss Whitford and Miss Pentney.

Geography London & the South East

Introduction to the South East, looking at human, physical, land use over time in London, Canterbury, Brighton and Dover.

R.E. - Hinduism Pilgrimage to the River Ganges

Social / Human Lens

Know the importance of water, know geographical facts about Ganges, know how important R Ganges is to Hindus, what ceremonies are performed there. Know reasons why anyone might like to visit the river.
