

## Year 1 Homework Challenge – Autumn 1 2024

As part of our Knowledge Curriculum, we are excited to present the children with some exciting homework challenges linked to the curriculum.

<p><b>Science- The Human Body</b> We are learning about our body and our senses. Make a fact file or information leaflet about the body or our five senses. Add some diagrams or pictures too.</p> 	<p><b>An activity of your choice!</b></p> 	<p><b>Maths</b> <b>Counting forwards and backwards</b> Practise counting forwards and backwards to 20 then 30. Can you count on and back from different start numbers e.g. 12, 7.</p> 
<p><b>Pancakes!</b> Make pancakes and write a recipe! What topping will you choose?</p> 	<p><b>Geography</b> Can you draw a map of your route to school or perhaps a map of your garden? What buildings or objects can you add to it?</p> 	<p><b>Art and Design</b> Can you paint a picture using warm or cool colours or even one of both?</p> 

The challenge work is due in by **Monday 21<sup>st</sup> October 2024**. During that week, we will invite you to come in to join us to celebrate our Homework! We will inform you of the date nearer the time.

It is completely up to the children to decide how they want to record their work. They could use photos, diagrams, drawings or something else! You can upload it onto class dojo or send the work in. All we ask is that everyone has a go, completing at least one piece, so they all have something to share at the end of the half term.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
