Self-Image & Identity

History

World War I

Causes of World war I, life on the front lines, the western and eastern fronts, battle on the land, sea and air and the consequences of World War I.

English

Journey Tale

Little vixen street, The arrival.

Children will be crafting their own meeting tale using features from the high quality texts.

P.S.H.E.

Being me in my world

I know that for many children their universal rights are not met. I understand that my actions affect other people locally and globally.

Art & DT

William Morris

William Morris and his work, Morris wallpaper - block printing, Morris' houses and companies.

Science

Chemistry

Matter and change, atoms, John Dalton and the elements, the periodic table, molecules, compounds, physical and chemical changes.

Year 6 - What your child will be learning about in Autumn 1st 2024

Dear Parents and Carers,

We have got a brilliant half-term of learning ahead of us and are covering a wide range of units that build on what the children have been learning in Year 4 and 5. We also have the exciting trip to Norfolk Lakes which I am sure everyone is looking forward to! This half-term in history we are learning about WW1 and will progress throughout the year to WW2. In Geography we are looking at the world around us and learning about all of the lines and time zones of the Earth. In English we will be creating our own 'journey tale' which the children will use to showcase their best writing. All of the units we are covering in the other foundation subjects are listed around this page. We are looking really forward to getting stuck in with all of the great learning!

Miss Rudd and Mr Myhill (Year 6 Class Teachers)

Geography

Spatial Sense: World geography

Arctic and Antarctic, Longitude and latitude. Zones, round earth, world time zones.

R.E. - Islam

Beliefs & Practices

Know what commitment means. Know about the five pillars of Islam: prayer, fasting, alms-giving, pilgrimage and faith. Know about each pillar in depth.

Maths

Place value
Addition & Subtraction
Multiplication
Divison

P.E.

Outdoor and adventurous activities, team building and confidence games.

Latin

To understand the relevance of learning Latin. To be able to say hello / goodbye and write simple sentences.
