Creating our own page for a moving book at the end of term.

Science

Living Things and their Environment.

Beginning with looking at different Food Chains. Moving onto exploring Ocean and Undersea habitats and Overfishing.

Ending the unit with damage to habitats.

Year 2 - What your child will be learning about in Autumn 2nd 2024

Dear Parents and Carers,

Welcome back after half term. The children are already settling into a new half term of learning. This half term the children will have History lessons instead of Geography and Design Technology lessons for their Art.

We are looking forward to our upcoming trip to Flag Fen. We will also be beginning to learn our Christmas Play 'Born in a Barn' ready for our performance on Friday 6th December. The children are very excited about putting on a brilliant show for you all to come and watch.

PE will remain on a Tuesday afternoon - please ensure the children have their PE kits on that day. Maths and Spellings homework will be sent home every Friday to be in for the following Friday. Please could children continue to read their Read Write Inc. books daily and challenge themselves on Times Tables Rockstars.

Thank you for your continued support.

Miss Bloomfield, Miss Grief and Miss Whitford

R.E. - Christianity

Jesus as a Gift from God.

What a hero is and what makes someone a hero.
To know why Christians believe God gave Jesus to the world and to know 'The Christmas Story.
