

**Year 6**  
**Homework Challenge – Summer 2nd 2024**

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p><b><u>Science</u></b></p> <p>Create a model of a fossil showing a prehistoric animal or plant of your choice.</p>	<p><b><u>Geography</u></b></p> <p>Create a 3D model showing the greenhouse effect and how it happens.</p>	<p><b><u>History</u></b></p> <p>Make an eye-catching placard that supports the Civil Rights Movement.</p>
<p><b><u>Art and Design</u></b></p> <p>Build a structure of your choice using triangulation to help support it.</p>	 <p>Choose one of these tasks to complete for your homework challenge.</p>	<p><b><u>PE</u></b></p> <p>Can you work out a 3-minute gymnastics routine and record it?</p>

The challenge work for this half-term is due by **Monday 15th July** as our homework challenge event will take place on **Tuesday 16th July at the usual time of 2:45pm**.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.

Mr Whiting and Mrs Rossiter
