Year 1 - What your child will be learning about in Summer 2 2024

Dear Parents and Carers,

We hope you had a lovely half term and enjoyed family time together. This will be another busy term. The children have settled well and have been enjoying their lessons. We will continue with RWI for our phonics. The children have moved into different phonics groups. They are showing great confidence with their phonics and this can be seen during their English lessons. The homework challenge has been set and we are also now having spellings once a week. Please keep a look out for them! As the weather hopefully stays warmer we will be doing PE outside. Thank you all for your continued support and we look forward to seeing you all on Monday 15th July. Mrs Box and Miss Hart.

Science
Materials and Magnets

Pupils will distinguish between an object and the material which it is made. Pupils will identify and name a variety of everyday materials including wood, plastic, glass, metal, water and rock.

Judaism– Rosh
Hashanah and Yom
Kippur

We are learning to
empathise with Jewish
children by understanding
what Rosh Hashanah and
Yom Kippur mean to them.
