P.S.H.E. Changing Me

I recognise cycles of life. I recognise how my body has changed and where I am on the continuum from young to old. I recognise the physical differences between boys and girls and appreciate that some parts of my body are private. I understand there are different types of touch.

Year 2 - What your child will be learning about in Summer 2nd 2024

Dear Parents and Carers,

We can't believe it is now the final half term of the year, hasn't time flown?!

This last half term will see our final assessment week, Sports Day, the Summer Fayre, transition sessions and a whole range of other exciting things.

Please remember to send your child with a water bottle and the appropriate weather-related clothing (sunhat/coat). If we have a hot day, please ensure children have sun-cream applied before they come to school.

As always, please don't hesitate to contact us if you have any questions.

Mrs Payne, Miss King, Miss Young

R.E. - Islam Hajj

Theology Lens

Know about a special journey. Know about the Hajj, where it takes place, what happens and why it's important to Muslims.

Science Astronomy

Orbit and rotation, sun, moon, planets, stars, Earth, our solar system, what's inside the Earth, surface of the Earth, volcanoes, geysers, rocks and minerals.

Maths

Number revision
Statistics
Position and Direction
